

Berwickshire Naturalists' Club 2022 Autumn Lecture

Mapping Tyneside

Dr Michael Barke

Reader in Human Geography at Northumbria
University

Dr Barke is joint author of “Newcastle-upon Tyne, Mapping the City”, a book which takes an innovative approach to telling the story of the area's history by focusing on the historic maps and plans that record the growth and development of Newcastle and Tyneside over many centuries.

Thursday November 17th at 2 P.M.

Parish Rooms Berwick-upon-Tweed

TD15 1DFF

Admission Free
