

October 2022

Dear Member

I'm delighted to inform you the Michael Braithwaite has generously decided that each member of the Club should be sent a copy of his latest book, "Scenes from the Wilds of Berwickshire" free of charge.

Michael Braithwaite has been a member of the Berwickshire Naturalists' Club since 1978. In that time, he has been President and made a major contribution to the Club's activities. This, his fifth book, is made up of lyrical observations concerning a selection of sites drawn from his "Berwickshire BSBI Botanical Site Register 2013".

I'm sure that you will join me in thanking Michael for his very kind gift.

The book will be sent direct to you from Martins in due course.

Best wishes

Chris Neville-Taylor

President Berwickshire Naturalists' Club
